

# BADGES

“When you’re proud of something, you want the world to know about it.”

“When you find something you value, you want to share it.”

THAT’S WHY WE  
LAUNCHED  
***WE RUN ON  
EOS® BADGES.***

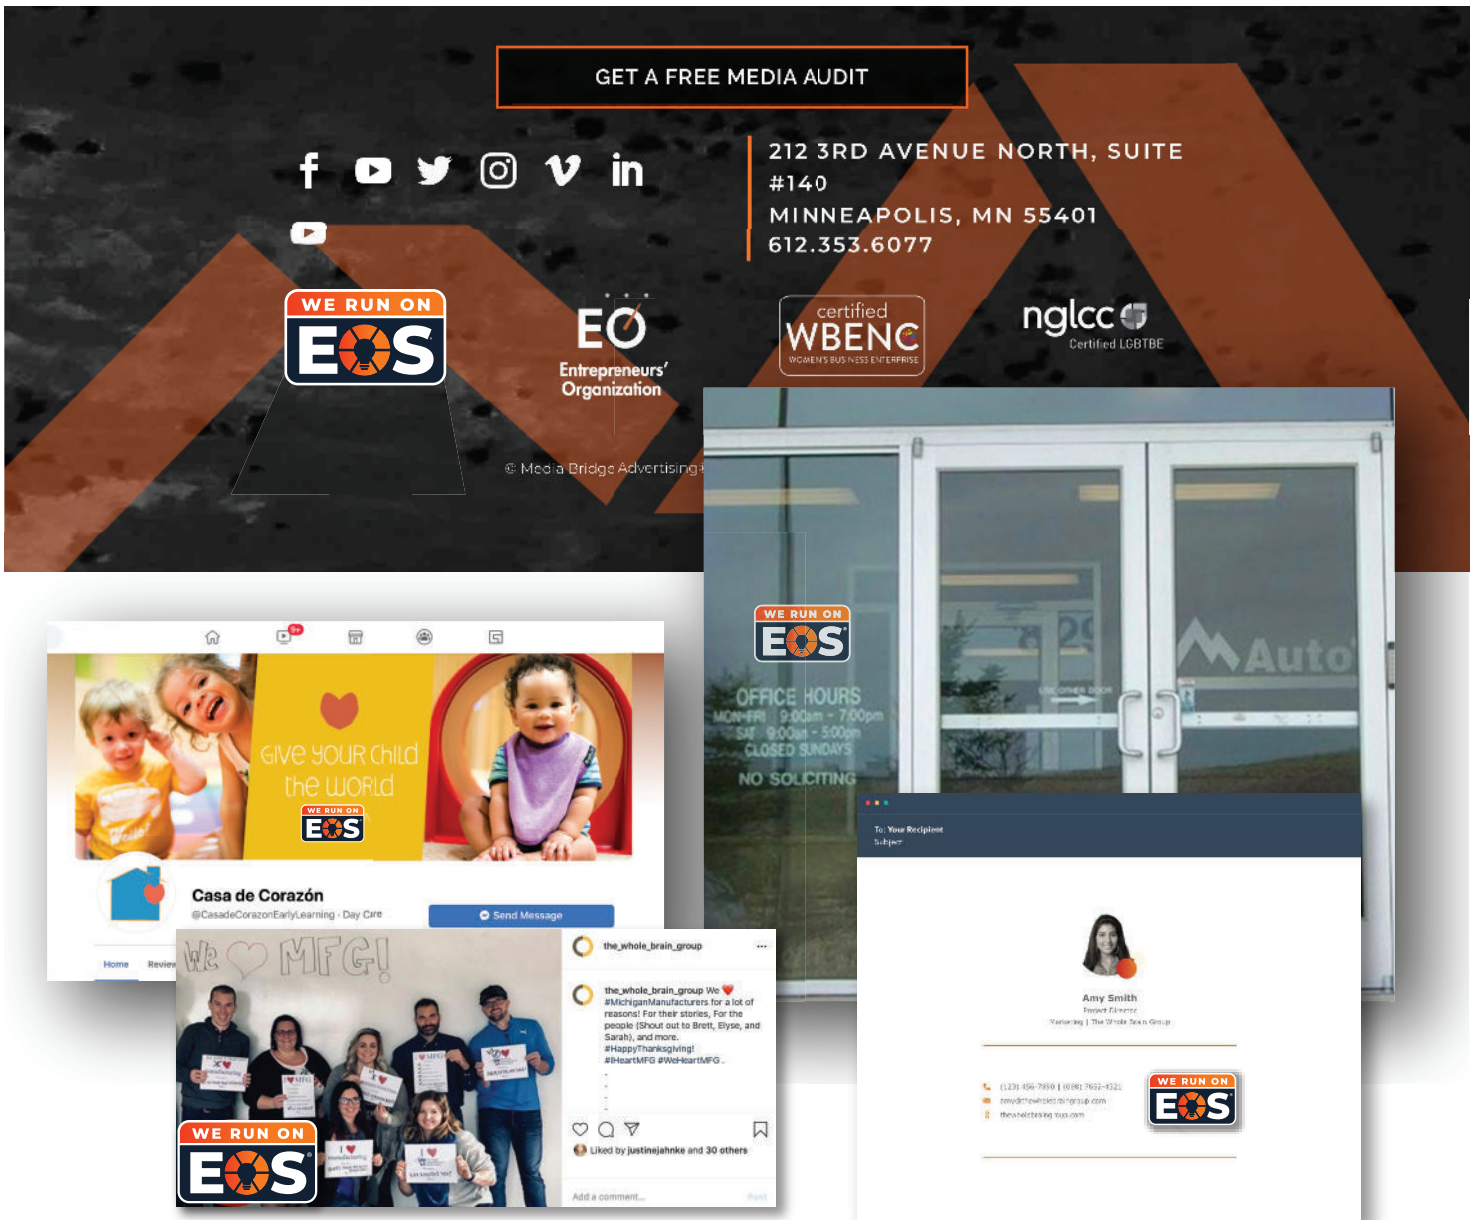

EOS is a growing but highly select global club. With over 100,000 companies using EOS Tools, your EOS Badge will tell your business colleagues, clients and customers round the world that you’ve made a serious commitment to building and growing a world-class organization.

**EOS BADGES ARE NOW AVAILABLE IN BOTH PHYSICAL AND ELECTRONIC VERSIONS:**

- Window clings and stickers for your company’s physical location
- Electronic formatted badges to add to your company website, social media, email signatures, and digital and printed collateral

#### **WHO’S ELIGIBLE?**

Any company working with a Professional or Certified EOS Implementer® who has completed Vision Building™ Day Two.

## GET YOUR BADGES TODAY AND MAKE THEM WORK FOR YOU!

1. Download your electronic badge on the EOS Client Portal in the first Quarterly homework section. The electronic badges come with an embedded code that will link to the EOS website and showcase all the benefits of running a business on EOS.
2. To order EOS badge stickers and window clings, log into the EOS Client Portal and go to the SWAC STORE.
